APPLICATION INSTRUCTIONS

CERTIFICATE OF ADMINISTRATION OF DRUGS AND VACCINES

The following is a guideline to assist in your application process. It does not, however, replace the requirements outlined in the Maine Board of Pharmacy Laws and Rules. Please review them carefully for more detailed and clarifying information.

CHECKLIST:

- Application fully completed with required fee
- Copy of the 20 hour course of study or college transcript. Training must be within 3 years immediately preceding this application for a certificate of administration.
- Copy of the Life Support Training (CPR) is enclosed with this application

Processing Time:

Your application has a greater chance of being processed expeditiously if it is complete and all supporting documents are attached. Please visit our website at www.maine.gov/professionallicensing to monitor your application's progress in real time. If the status appears as "PENDING", this means that your application was received by this office, and is pending or under review. Once reviewed, and if everything about your application is complete and complies with requirements, the permit will be issued. The status online will show as "ACTIVE". If your application is incomplete, a letter will be mailed to you.

Please refrain from calling our office to "check" on your application as these calls only serve to slow our ability to review and process applications.

The Office no longer prints licenses. You will be notified by email from noreply@maine.gov using the email address you provide on this application. A copy of your license will be attached to that email. (a paper license will not be sent by regular mail). **The email with your license will contain the access code that is required to renew your license online when the time comes.** You may also update your contact information and email address on our website www.maine.gov/professionallicensing using your access code.

Approximately sixty (60) days prior to the expiration of your license a courtesy renewal reminder will be sent to you by email. It is important that you maintain a current email on file, or you risk not being able to receive the renewal reminder. You do not need to wait for a renewal reminder to renew your license. The online renewal opens sixty (60) days prior to the license expiring and you may renew online anytime. Failure to receive a courtesy renewal reminder notice does not waive your responsibility to renew your license in a timely manner.

NOTICE: In Maine, you must be authorized to Collaborative Drug Therapy Management by virtue of additional license(s). Applications to apply for an initial licensure as Collaborative Drug Therapy Management are available online at www.maine.gov/professionallicensing

Maine Pharmacist license by: Examination, Score Transfer, or by Reciprocity/Endorsement are available online at: www.maine.gov/professionallicensing.
